

ModelBase

```
graph BT; MS[ModelSurvey] --> MB[ModelBase]; MU[ModelUser] --> MB;
```

The diagram illustrates a hierarchical structure. At the top is a box labeled 'ModelBase'. Below it, a horizontal line connects two boxes: 'ModelSurvey' on the left and 'ModelUser' on the right. A vertical arrow points upwards from the center of this horizontal line to the bottom of the 'ModelBase' box, indicating that both 'ModelSurvey' and 'ModelUser' are sub-components or inherit from 'ModelBase'.
